

General Information

- **Conference venue**

Institute for Biology 1
Hauptstraße 1
79104 Freiburg

- **How to get there**

- By car

If you approach Freiburg by car coming from motorway 5 (A5), leave the motorway at exit 61 (“Freiburg Nord”) towards the Centre (“Stadtmitte”/ “Stadtzentrum”). Go straight on until you reach the Habsburgerstraße. There you turn left into the Hauptstraße. The Institute for Biology 1 is the second building on the left. Pass this building and turn left at the second junction to find free parking areas.

- Public transport

If you reach Freiburg by train, the tram station is on the bridge above the rails. Take the **Tram 1, 3 or 5** (toward Littenweiler, Vauban, or Rieselfeld respectively). Transfer to **Bus 28** (towards Hornusstraße) at the station “Stadttheater”. Get off at station “Hauptstraße”.

On the way back you have to use another bus stop for bus 28, which is indicated on the map in this booklet. Transfer to the tram at station “Bertoldsbrunnen”.

Most places in Freiburg are accessible by foot or by public transport with a ticket of price level 1 (“Preisstufe 1”). If you go by bus or tram more than two ways a day, it’s profitable to buy a 24-hours ticket (“REGIO24”: 5,30 Euro) instead of an individual ticket for each way (2,10 Euro). (With the 24-hours ticket you can additionally take along 4 kids if you want...;-))
